

West Kentucky Wildlife Management Area Lakes

LOCATION AND FACILITIES

The West Kentucky Wildlife Management Area, owned by the Kentucky Department of Fish and Wildlife Resources, is located in the western portion of McCracken County approximately 14 miles west of Paducah. Access to the area is by following Highway 358 west of Grahamville. Signs are posted at several locations along this route. There are 12 fishing ponds on the management area. Access to all of the ponds is good and most of the lakes have small gravel boat ramps. Some lakes may be closed on any given day due to retriever trials. Bait should be purchased prior to entering the area.

THE FISHERY

Species present include largemouth bass, white crappie, bluegill, longear sunfish, green sunfish, and channel catfish.
